2484 Sqn & 2484 DF Adventure Training, North Wales 4th to 11th August 2018

The annual Squadron adventure training week has been arranged at Capel Curig from the 4th – 11th August 2018. Returning on the Saturday to Sqn HQ Bassingbourn at about 1900 hrs.

The cost will be as last year £150 which includes all travel, accommodation, meals, and payments to external professional activity providers (all costs over and above this will be met from Squadron funds).

Places are limited to 30 cadets therefore I ask for a £70 deposit, payable by the end of **April 2018 at the latest**, with the remainder due at the end of June 2018.

Please make any cheques payable to “2484 Squadron ATC”.

Cadets will require suitable clothing for wild country activities; some clothing and equipment can be provided by the Squadron. A Kit List, Parental Consent and Medical forms are available on the Sqn website or in the office. The forms must be completed and handed to the Squadron by the end of **April 2018 at the latest**.

The purpose of the week is to give cadets an opportunity to enjoy a wide variety of outdoor activities among: Mountain walking, wild country camping, sea canoeing/kayaking, mine exploration, high ropes, zip wire, rock climbing, and abseiling, etc. Though Capel Curig Training Camp (CCTC) is a military establishment no military clothing is allowed to be worn in the surrounding areas, so none need to be taken.

CCTC is dedicated to providing adventurous training facilities; it has good separate accommodation and ablution facilities for males and females, cadets and staff, all in CCTC meals are provided in a modern canteen. The Squadron has been going to this camp annually for the last 15+ years.

Please Note: We have to pay from Squadron funds various activity providers well in advance, and in order not to prejudice the activity as a whole the Squadron cannot afford to refund any deposits or full amounts paid. In the event we would recommend that some form of holiday insurance be taken out on the part of the cadet. Holiday/Travel insurance can be taken out for a minor by yourselves for about £7.00 for a single trip (for example ‘Endsleigh Insurance’).

Should you have any questions, do not hesitate to either contact myself or Ken Stapleton (CI).
